I am pleased to record my appreciation for the commendable contribution of Sri Raaja Raajan College of Education, established by the Sri Muthumari Charitable and Educational Trust in 2007, towards the advancement of Teacher Education. Under the able leadership and academic vision of its **Chairman, Prof. S. Subbiah, Former Vice-Chancellor, Alagappa University**, the institution has made significant progress in providing quality education through its **B.Ed., M.Ed. and Ph.D.** programmes. The consistent achievement of university ranks, gold medals, and success in **TET, SET, UGC - NET, TRB** and other **competitive examinations** reflects the institution's commitment to academic excellence.

I particularly appreciate the institution's emphasis on skill development, holistic education, social responsibility, and innovative activities. The three achievements recognised by the All India Book of Records, Puducherry, demonstrate the creativity, teamwork, and leadership qualities of the student teachers.

As a Professor of Education and Director, i/c, Alagappa Institute of Educational Sciences, I sincerely appreciate the efforts of the **Chairman, Management, Principal, Faculty, and student teachers** in strengthening teacher education and contributing quality teachers to society.

I extend my best wishes for the **continued growth, academic excellence**, and further **achievements** of Sri Raaja Raajan College of Education.
