Great Regard to Sri Raja Rajan College of Education

It is my great privilege to render my sincere appreciation and regards to the great organization of Sri Raja Rajan College of Education, Karaikudi as I have been associated with this Institute for a period of more than two decades as resource person for a conference, guest of speaker, as subject expert and External examiner and so on. In all the roles they have inspired me a lot in teaching, research and administration.

Regarding teaching, highly qualified faculty have been appointed and it has been keenly governed by the suitable principal and while assessing their teaching performance it was very well evident by seeing the demand of the admission of the yearly process. All the training graduates are trained with soft skills and technical skills along with subject knowledge. Great inspiration to many young teacher trainees

With regard to research activities, recently this college of education has obtained the approval as Research for Education for the Ph.D programmes from Tamil Nadu Teachers Education University, Chennai. Also it regularly organizes conferences and work shop at the state level and international level.

In the concept of co-curricular and Extracurricular enrichment the college gives plenty of opportunity to the trainees by attending camps, N.S.S activities and scout etc.,

Sri Rajarajan college of Education, Karaikudi is a wonderful organization to get training for a great life change.

My special word of gratefulness to the dynamic and dedicated chairman **Dr.S.Subbiah**, the former Vice-chancellor of Alagappa University for all his vision and mission of this Institute.

I record my appreciation to this Principal Dr.R.Sivakumar and all his good set of faculty for their tireless smart work

May the Almighty bless this organization with all the blessings.
