Feedback – Sri Raja Rajan College of Education

It is always a pleasure and a privilege to be associated with **Sri Raja Rajan College of Education**. Having had the opportunity to serve as a resource person at the institution on several occasions, I have always been impressed by its commitment to **quality teacher education and the professional development of student teachers and faculty**.

I would like to place on record my appreciation for **Dr. S. Sivakumar, Principal**, for his dedicated leadership, academic commitment, and the warm and encouraging academic environment he creates for every programme.

I am also particularly happy to see the continued academic vision and leadership of our **former Vice-Chancellor, Prof. Subbiah, the Correspondent of the College**. As an accomplished **academician, administrator, and inspiring orator**, his commitment to education and institution-building is truly appreciable. His presence and guidance add great value to the academic growth of the institution.

The enthusiasm and active participation of the faculty and student teachers make every academic interaction meaningful. I deeply appreciate the **warm hospitality, excellent organization, and openness to new ideas and innovative approaches** to teacher education.

Each visit has been an opportunity not only to share my experiences but also to **learn, interact, reflect, and grow together**. I am grateful to the management,

Principal, faculty, and student teachers for giving me the opportunity to contribute repeatedly to their academic initiatives.

I sincerely value this **long-standing academic association** with Sri Raja Rajan College of Education and look forward to many more meaningful opportunities for interaction and collaboration.

With best wishes for the continued growth and success of the institution.
