Feedback – Sri Raja Rajan College of Education

It was a great privilege to be associated with Sri Raja Rajan College of Education in various academic capacities, including External Examiner, Practical Examiner, Answer script Evaluator, and Resource Person for Research Methodology for the B.Ed. and M.Ed. programmes.

My academic interactions with the institution have always been meaningful, enriching, and professionally rewarding. The enthusiasm, discipline, and active participation of the student teachers reflect the institution's commitment to quality teacher education, academic development, and professional excellence.

I sincerely appreciate the Principal, faculty members, and management for creating a warm, supportive, and academically vibrant environment that encourages innovation, research, new ideas, and holistic development. The college's vision of "Empowerment through Education" is clearly reflected in its efforts to nurture competent, confident, value-oriented, and socially responsible teachers.

Every academic visit has provided an opportunity not only to share knowledge and experience but also to interact, learn, reflect, and grow together. I deeply value my academic association with the institution and appreciate the warm hospitality and excellent cooperation extended by the Principal, faculty, and student teachers.

I wish Sri Raja Rajan College of Education continued academic excellence, research growth, and greater success in its mission of empowering future generations through quality teacher education.
